TRAIN IS WRECKED

Fifteen Rock Island Cars are Pffed in a Ditch.

DETAILS VERY MEAGER get rid of it easily, paleness, ner- STRANGER TOOK HIM IN

Forty Men Sent From Here to the Scene.

Rock Island cut a short distance south or face and head. The first bottle helped her and when she had taken six the sores were all Peck. A wreck occurred there yesterday afternoon and practically the entire that she has herer shown any sign of the freight train was huried off the track. scrofulz returning. The engine escaped and no one was burt. Hood's Sarsaparilla The train contained some livestock, but their character, number and value are Promises to cure and keeps the unknown here. The cause of the wreck promise. Ask your druggist for it is also unknown. It is supposed to have today and accept no substitute. been caused by a broken rail.

Immediately upon the receipt of the new here the readmaster ordered the company representative here to scoure as many men as possible to go down and clear the trace and at a clock last night a special train with about forty men went down which provers that the wavek was a read one from a property loss view. The incoming and outgoing passenger frums went over the Santa Fe line to Wellington. This caused a material delay in the outgoing of the south bourd trains as Santa Fe polots were searce.

HE IS RICH NOW.

In the caused wat the told you, said Mr. Fox. "There is no such wholesale or retail firm in this city."

The young fellow, whose name is C. W. Jones, of Dexter, illinois, tried to not can foreste, but which presience only the squade may into the myrind paths which Life survaine and the flowers. Together they will go as one soul, flying entity and the remain I know it is this: conting over the country and I decided that I wanted to go to Lawton. Oklahome. At the richest stifts of Fortune be theirs there got on the train and sat beside me in a seat. He beared from me that I was going to Lawton and would be trains as Santa Fe gulots were scarce, owing to the rush of business on the road. Whenever a train from one road John W. Clayton Buys a Bottom that Mr. Carr's brother, who was man goes over another, an employe of the road to be used must accompany it as a an examination as to his qualification as a trainman and his knowledge of switch two miles couth of Valley Center. He can add such a scuring of men of that the adjoining farm two years and such a scuring of men of that the farmacter at Wichita that the Santa Fe class bottom land.

spans and so he had placed them across very proud of them. two of them, which would enable him to reach all that was necessary for him to reach, and went to work. He was paint-ing away from the losse end of the board for Wichita.

Carr Mercantile company, while it dawned upon Officer Fox why Illinois is ing away from the loose end of the heard and was perfectly safe when Mrs Brown Lappened along and, seeing him at work, called to him. He answered the call and stepped to the front end of the huiding and the loose end of the huiding and the same end of the huiding and the loose end of the huiding and the same end of the huiding and the loose end of the huiding and the loose end of the huiding and the same end of the huiding and the loose end of the huiding and the last the same who wants to ing manner. The arm was dislocated at want to. General Black is not however, represented. The convention was the the wrist and the figuments torn. Dr. caboring to the skeepy public, because he twentieth convention of the association. Whitheld was called and promptly dress-says there are none of that kind in this. Next year they meet in Milwaukee.

The ankie blacked rap-town. He is catering to the fired, for the great object that the convention is be realized that the tremendous huminess. Striving for at the present time is to sewhen seen last evening was getting along the remaining was problem. It was thought that the arm was broken, as well as disjournest friends.
